Global Business Press (GBP) is once again proud to be the official media partner for the upcoming Langkawi International Maritime & Aerospace Exhibition (LIMA) one of the largest influential shows of its kind within the Asia Pacific region.

As the official media partner, GBP will be bringing out its "Daily News", one of the leading show dailies in the industry, with news and insights across aerospace and defence industries and all that is happening during the four-day event, starting March 21 next year.

The print edition of Daily News will be combined seamlessly with digital delivery via GBP's website.

Our show news package for LIMA 2017 will feature the most updated and current stories as part of the Daily News, which will be available as a complimentary print edition to all show goers and exhibitors for the first three days of the show.

Each issue of Daily News will carry a mix of news items, feature stories, product briefs, and feature interviews with senior officials across Government, military and defence OEMs and suppliers.

With an eye-catching layout and carefully chosen stories and articles, Daily News has proven itself as an excellent platform to showcase new products, market plans and company profiles for defence trade shows and air shows.
